Private Care

Private care services are offered on a private pay basis and include personal care, ADLs, companion care and light housekeeping. Many long term care insurances cover the cost of certain private care services. For veterans, services may be covered directly under the VA benefit when eligible. Private care services may be covered under the Veterans Aid and Attendance Program.

Adult Day Health Care

**Mansfield Adult Day Health Center
Norwood Adult Day Health Center of Norwood
Harmony Adult Day Health Center in Taunton**

Services are covered by various programs, such as:

Bristol Elder Services
HESSCO Elder Services
Old Colony Elder Services
MassHealth
VA of MA
Department of Developmental Services
Some long term care insurance plans

Many clients and caregivers choose private pay arrangements to obtain this cost effective daytime program that provides professional medical care as well as caregiver respite. Call us to determine what financial arrangements may apply for your clients.

Alzheimer's Assistance Program

Gives free caregiver support, information on disease progression, available community resources, and advice on caregiving and behavior changes by professional staff with advanced training and experience, plus caregiver respite.

Elder Dental Program

Connects low income adults age 60 & over, with local dentists willing to treat them following the Program's drastically reduced fees; free Dental Screening Clinics and statewide advocacy for improved access to affordable care. Call 781-769-3710 to enroll.

Free Care

For disadvantaged patients needing home care, hospice and palliative care or adult day health services, we continue our agency's proud 100 plus year tradition of charitable care.
